

AKSHAY MANGHAT

Asst. Manager

Motion Graphics + Graphic Designer

I am Akshay Manghat, an Assistant Manager with 7+ years of experience in the creative field, dedicated to igniting imagination. Having led 400+ projects across a range of creative domains, from educational videos to Digital Marketing videos, my journey is rooted in a passion for multimedia animation. I transform ideas into visual masterpieces using innovative techniques, thriving on technical precision, setting new standards in quality, & meticulous attention to detail.

Work Experience

Byjus|| Assistant Manager, 2019 – Present

At Byju's, my journey began as a Creative Associate & evolved into an Assistant Manager. My role encompassed:

- Led & managed a team of 10+ members in 3D & 2D Department, delivering high-quality creative output that met the project owners requirements with minimal man-days. I also mentored my team members to enhance their skills & productivity in the field of multimedia.
- Successfully managed & coordinated the operations of both TVM & Pune studios, ensuring smooth workflow & project delivery.
- Executed end-to-end of digital marketing projects, ensuring on-time delivery, exceeding expectations, and staying within budget.
- Drove recruitment initiatives, participated in talent conferences & conducted interviews to hire top creative talent.
- Pitched creative ideas to Directors & project owners, securing buy-in for implementation.
- Reviewed team & studio files to ensure quality & consistency of work, adhering to project guidelines & timelines.
- Leading research & development expeditions, exploring the frontier of innovative AI tools & technologies, enriching our creative arsenal, optimizing workflow, & enhancing visual storytelling, in step with visual trends.

VHTnow|| VFX Artist, 2015 – 2019

Demonstrated expertise in compositing, chroma keying, image processing, designing, motion graphics & VFX supervision.

Notable Projects

Azadi || A Tribute To India's Great Freedom Fighters.

In Memoriam || Jallianwala Bagh Massacre.

Republic Day Special || Why do we celebrate Republic Day?

My Education Journey

I have taken a less traveled, yet more creative path when it comes to my journey of education. After finishing 10th & 12th grade, I realised my passion for multimedia & secured a Diploma in Multimedia Animation from Arena Animation.

Leadership & Problem-Solving Skills

I approach challenges with a creative spark, utilizing intuition and logical reasoning to find solutions. For example: During the Aakash project at the TVM studio, I assumed full responsibility, facilitated discussions with the director, & successfully closed the project, showcasing collective creativity & determination.

My communication style combines eloquence and impact, aligning with design & animation principles. I inspire and lead my team, nurturing their creative flames to become a united and unstoppable force.

Certifications
